Newsflash

Local 2250, AFL-CIO

September 17, 2009

Dear Maryland State Education Association Member:

This letter is to advise you that MSEA has increased your portion of dues which is paid directly to MSEA.

The increase shall be \$.59 for those members which are paid on a 22 pay period schedule and \$.50 for those members which are paid on a 26 pay period schedule. There has been no increase in MSEA dues for Local 2250 members since 2002.

Unfortunately, the increase in the one million dollar job related liability insurance provided you and the legal services you receive has necessitated this increase. There are a number of other benefits available to you through the NEA Membership Benefits Program. Call 1-800-637-4636 or surf www.neamb.com for more information.

One last issue I want to make clear, this is not an increase in AFSCME Local 2250 dues and the entire increase will be transferred directly to MSEA.

Sincerely,

Faith I. Jones,
President
