Local 2250, AFL-CIO

December 11, 2009

**MESSAGE FROM PRESIDENT FAITH I. JONES**

I want to take this opportunity to wish each of our members a happy and safe holiday. I also want to thank each of you for the work you do in helping to educate the students in the Prince George's County School System.

This has been a very difficult year because of State and Federal funding issues which have affected the school system's budget and has unfortunately affected our members' wages this past year. The problems facing the national, state, and local government's budget has impacted on all of us.

Let me assure you that Local 2250 will do everything we can to lessen the negative impact of these budget crises on our members.

These results were certified on December 7, 2009 by the Nominations and Election Committee.

**AFSCME INTERNATIONAL UNION DUES INCREASE JANUARY 2010**

The dues increase for full-time members is .10 cents per pay period and .07 cents per pay period for employees working 20 hours per week or less.

This increase is mandated by the International Union Constitution. The Local 2250 dues were not increased this past year as a result of the current fiscal crises.
