Question MSEA?

During a recent membership meeting a motion was made to drop Local 2250's affiliation with the Maryland State Educators Association. Currently, we have over 4,500 of our members also affiliated with MSEA/NEA.

The obvious reason that so many of our members maintain this affiliation is because of the many benefits which are provided by MSEA/NEA. Below are listed just some of the benefits provided as a result of your membership with MSEA/NEA:

1. \$1 million dollar provided for job related liability protection
2. Provide attorneys who are experienced in education law and child abuse allegations
3. CDL license protected by attorney representation
4. Attorneys will represent members for all job related legal problems

All of the above is provided as part of your membership with MSEA/NEA. If anyone suggests that you should drop your membership in MSEA/NEA you may wish to advise them that they should check on the benefits made available and paid for through their membership in MSEA/NEA.
