TRANSPORTATION SPECIAL NOTICE

It has come to our attention that a number of regular bus drivers and attendants have been assigned to orthopedic runs and are not being compensated at the correct rate of pay.

If you have been assigned to an orthopedic run and are receiving a regular bus drivers/attendant pay rate, please contact the union. Employees who are working out of classification for more than 10 days must be paid the correct rate of pay under terms of the union contract.

Please call the union office at 301-809-0472 and let us know how long you have been working in the higher classification.
