## MEMORANDUM

TO: All Local 2250 Members  
FROM: Faith I. Jones, President  
SUBJECT: Funding Cuts to School System Budget

We need your help; the Senate Budget and Taxation Committee has passed a version of the State Budget which would be extremely damaging to the Prince George's County School System. This proposal will go to the full State Senate for a vote very soon.

The House of Delegates has passed their proposal through the full House of Delegates. The House version is much more favorable to our school system. We need our members to contact the Prince George's County Senators and urge them to support the House version of the budget. This is extremely important, so please call or e-mail the Senators as soon as possible.

Thanks for your help. We have added the Senators' contact information e-mails and phone numbers:
