Greetings

Please read the attached Committee structures and list of established committees. We are looking for members interested in becoming involved in the Local unions work. Please understand that some of these committees are going to require a lot of dedication and time. Some committee's will be meeting weekly and after business hours via Zoom. Please take into consideration these responsibilities before making your selections on the committees you feel passionate about. Please choose 3 committees and I will place you based on the need. I want representation from all chapters as fair as possible. This is your opportunity as a union member to allow your voice to be heard and to advocate for support professionals. Together we can make ACE-AFSCME Local 2250 STRONG. Attached is the list of committees please let me know your decision by January 8, 2020.

In solidarity
